Howdy Friends

Well, we suffered through some bad weather at our shoots so far this year. Last match almost made up for it, warm and sunny. Some folks got to try out Blazing Saddles after lunch. It seemed to be a big hit. I'll be adding more track, just having too much fun with this stage.

Thanks to our new cook, Abiquiu Sue, I have been able to do some shooting and enjoying it Cody-Dixon style.

This year will be 20 years since I shot my first CAS match in Oakland, California. I didn't join Sass until '93 in Oregon. I witnessed some awesome shooting at the swinging

target last match; something done that could never have been imagined back then. This shooter started at the beep, let go of the rope, drew his pistol and fired 5 shots into the swinging target. All this was done in 3.04 seconds.

This game has changed since that first match, shooters are developing talents never dreamed of back then in this sport. My hats off to them for their success and also to all the shooters that find their niche in our game, in competition, camaraderie, fantasy, finding friends, being cowboy and cowgirl and having a good time. The shooter was Reverend Trinity.

Comancheria Days is coming along great, shooters are signing up, and it looks like it may be bigger than 06.

Officer elections will be at the first match in May, if you can't be there, you could vote by email or letter. We can print the e-mails and bring them to the elections. The March newsletter will list who's running and we will also let everyone know at the shooter's meeting. If you would like to run for office, let us know.

The range will need work this year, we will be looking for help rebuilding stages and maybe adding one or two new ones. Please help out if you can at a work day.

I acquired the rifle from the estate of the late Texican Star member, Handlebar Deputy, shot it several times and decided my elder statesman shoulder comfort limit is closer to my .44 Marlin. Hopefully, some younger, stouter cowboy can put it to good use.
