The President's Corner

Howdy all,

We had a successful Comancheria Days 08, thanks to many workers and good weather. Thanks to all the shooters too, without them there is nothing to work for. Shooting the match is supporting the club. We gave back almost all the money to the match, with costs and prizes. With our profit for that weekend, the monthly match fees and membership dues club funds are holding us up just fine. We should have about \$8000 to spend on the club for new targets, stages, rebuilds, upgrades and other expenses that come up, if my planned outlook is good for the year. The officers will meet after the elections and decide what projects will be planned. Everyone's opinion is welcome. We will have some work days the summer, with a door prize drawing given out at Shindig for workers.

Free shooting again at Shindig this year for members along with free lunch.

I would like to see the club go to one weekend a month shooting, both days with different matches each day. 5 stages each day with side matches on Saturday. Sunday we'll setup for the next month after lunch. Folks can camp out Saturday night and stay over for the Sunday shoot. The landowner will require camping fees. Cowboy Church will continue for the Sunday match at 9 am. This should bring in some out of town shooters for a fun weekend and give the Officers and range workers a break coming to the range two weekends a month. It gives us another weekend to plan for time away from the range to spend with family. I would like to start this in June this year.

We will continue the clean match drawings for the rest of the year. Next drawing is June, including that weekend entries and then September. We had 2 clean shooters at the April Sunday match.

See Ya next match
