The Presidents Corner with Red Scott

A quick update to the membership.

Texicans we had a very good year! The State Match was a huge success and our monthly matches continue to draw huge crowds.

I am reporting the By-Laws were presented to the membership and were unanimously approved as presented. Thanks to the committee once again and to the membership for their approval

It's almost funny! No rain to speak of in South Texas since the first day of Comancheria Days and then all hell breaks loose at Shindig. The two biggest matches of the Texican Rangers and substantial rain falls at both of them. I ain't complaining and I don't think anyone else did either. For the first time in a long time there were mud puddles at the ranch. One vehicle actually became stuck.

Despite the rain we had a very good turnout. Not quite what we had expected due to the rain but still a good turnout. There were 69 shooters signed up! I didn't get a head count as to how many finished but a lot of folks lit out of there pretty quick. During the 3rd stage another set of storms was spotted headed our way and the decision to call the match was made. I am sure there were some who would have shot it out however I didn't hear a single complaint about stopping the match.

We had a great lunch thanks to the efforts of Agarita Annie and her crew. The Club gave out over \$1200.00 worth of prizes. Along with some gun scrubber, rim oil and patches, gun cleaning kits, and pistol cases we gave out \$800 worth of Visa gift cards. There was one gift card valued at \$150, two for \$100, four for \$50, and ten for \$25. Everyone seemed to enjoy the type of prizes we handed out.

We presented the awards for the top shooters in each class. We are still holding some awards that weren't presented. Some of the top shooters I know were there for the start of the shoot but as the rain continued they high-tailed it out of there. So, when we resume shooting in January we will present them then. A listing of the top shooters is presented below.
