June update from Dusty Chambers:

Another month has come and gone, this year is really moving along. The club is hanging in there and doing fine. We seem to have more ideas than time. The new Privy will be up and running by the July shoot, many thanks to Kool Hand Kel, Doc Schofield, Lone Star Hoss for work on the Privy in May. Also check out our new Texican Ranger Sign that Kool Hand Kel made for us! It's at the office area over the tool shed.

We still have ideas for the trail walk and the Town area needs rebuilding. We could use Folks to step up and work sponsor a project. Take a stage and fix it up or start a project, get some friends to help. The club has the funds for materials; we just need the manpower to get things done. If you can help, please see Woody.

I am working up some ideas for the Master Gunfighter setup and have 5 knockdown targets reworked from the old spring shotgun frames. There are more to fix. After I put all the targets together we will try it. We have 8 new shotgun knockdowns ready to use, might put 4 down at the jail. The other 4 will get used at the Trail Walk maybe; I am working on ideas to get these on frames up and off the ground.

Cody-Dixon was launched on the May Sunday shoot as a shooting category, targets were shot at out to about 125 yards, most closer. 5 rifle shoots per stage at one target, lever or single shot. No hold ups to the posse, looks like we got us a working plan. This category will be on the Sunday matches only.

How about a special Cody-Dixon shoot on a fifth weekend, or any off weekend, shooting 4 or 5 stages with your big bore lever gun, eat lunch and shoot them stages again with your single shot? Let's start a roster of shooters and then pick a date. We could think up a prize or two for the winners.

As a final note I will no longer be doing action work or gun repair, so please don't ask.

See Ya'll June 10  
Dusty Chambers

PS. No lunch will be served on the Sunday June 25 match. Please plan accordingly.

I acquired the rifle from the estate of the late Texican Star member, Handlebar Deputy, shot it several times and decided my elder statesman shoulder comfort limit is closer to my .44 Marlin. Hopefully, some younger, stouter cowboy can put it to good use.
